photographer giovanni dedicated a huge part of his work to the most delicate part of the male body the penis supersized is his fourth photo book focusing on enormous cocks brilliantly photographed by an artist who really knows his craft

aficionados of one of the most important male appendages will find this photobook a must for their collections the subtle differences between men are the focal point here this selection of shots taken with absolutely no shame either on the part of the models or the photographer shows what in the gay world holds a level of importance inversely related to its size compared to the rest of the body the penis a direct and very clear look at the male crotch is what fascinates giovanni

gentlemen we proudly present the jewels have you ever seen something like this before you have better don t bet on it this book will widen your horizon that s a promise after all there are as much different dongs in the world as there are men there s not one member like the other photographers painters and comic present us their special view on the one topic that no man on earth can avoid and how exciting this can be this book is in its true sense of meaning outstanding

born in a small factory town in the american state of maine where dreaming or having high hopes were not encouraged robert w richards learned at a very early age to lead a private interior solitary life until he was about six years old he didn t speak english he spoke french when he started going to school he was kind of shunted aside because he was very shy about not speaking well after winning a scholarship to the museum school in boston he moved to new york city he was soon sketching the couture collections in paris rome milan and los angeles for american newspapers after a few years the fashion grind began to wear on him he had done it and was fortunate to have been there when couture was couture and not the vaudeville it has since become he knew it was time for him to move on not that one can t remain creative drawing fashion but when he realized he was on his third cycle of mini skirts

that was it now he wanted to draw the people who wore the clothes and preferably out of the clothes he wanted faces bodies emotion this book is a visual manual of the male body it is published for the first time well endowed with many specials it is supersized signed by the artist and numbered magnificent varnish finishing on the cover creates a noble exquisite appearance

this photobook is long overdue man s best part finally gets the photographic appreciation it deserves a monument in 112 pages of pure carnal desire exciting portraits of close ups of him in colour and black and white unadorned untamed and direct giovanni pays homage to the penis in open extremely multi faceted photography circumcised or uncut shaved or hairy limp or stiff this book is a must for everyone who has one or wants one
